

Assalam-o-Alaikum! I'm

Arjad Gohar

FullStack Developer

I have 1.5 years of experience in this field. I currently work at Coding Cops, where I've had the opportunity to contribute to various projects.

My skills include working with Vue.js, React.js, Ruby on Rails, HTML, CSS (including Bootstrap), and HTML/HAML. I'm passionate about creating effective and innovative solutions and am eager to bring my expertise to new challenges.
